

October Block of the Month - 2011

"Fraidy Cat"

Materials:

1 - 10" square background fabric

1 - piece black fuzzy fabric approx 9"

2 - green buttons

Instructions:

Trace cat pattern onto paper side of HeatnBond lite or other iron on adhesive. Using manufacturer's instructions, iron traced pattern adhesive onto back side of black fabric.

Trim to pattern line. Remove paper.

Center cat on background fabric. Using manufacturer's instructions, iron cat onto background fabric.

Using a satin zig-zag stitch & a contrasting thread, outline edge of cat starting at neck going down around body, then as you reach your starting point, stitch onto black fabric following curve of circle that makes the head .

Hand sew buttons in eye positions.
